# Server Error in '/' Application.

---

## *Response status code does not indicate success: 500 (Internal Server Error).*

**Description:** An unhandled exception occurred during the execution of the current web request. Please review the stack trace for more information about the error and where it originated in the code.

**Exception Details:** System.Net.Http.HttpRequestException: Response status code does not indicate success: 500 (Internal Server Error).

**Source Error:**

```
An unhandled exception was generated during the execution of the current web request. Information regarding the origin and location of the exception can be identified using the exception stack trace below.
```

**Stack Trace:**

```
[HttpRequestException: Response status code does not indicate success: 500 (Internal Server Error).]
